Webex is fantastic, and SEEYOU is privileged to help make it easier for users to access this excellent platform. SEEYOU is the first-ever aggregator seamlessly integrating with all major video conference- and educational learning platforms. It is also wholly free of charge. You get an extra toolbar providing a uniform set of tools for video conference providers. Meaning you can quickly master most platforms while still fully benefitting from all their native functionality.
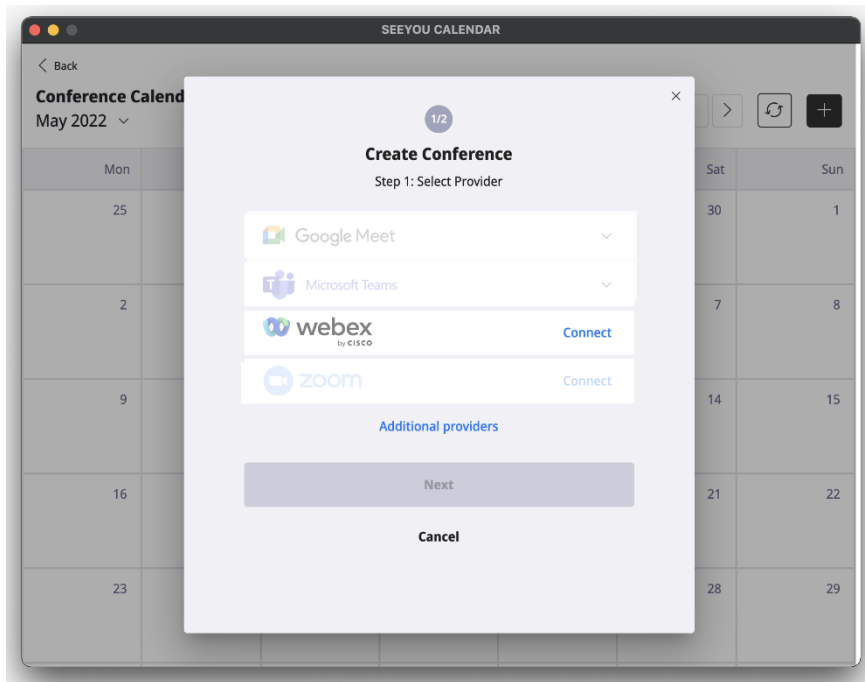

To get started attending or booking Webex meetings with SEEYOU, users follow the simple steps below:

1. Install SEEYOU apps from https://seeyou.eu/downloads

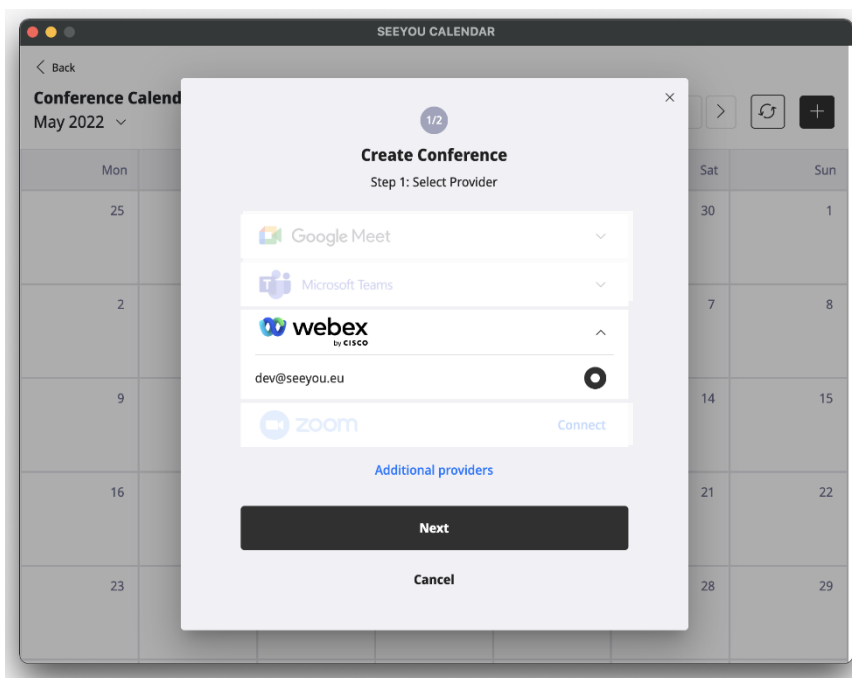

2. Signup to SEEYOU

3. In the calendar, create a video conference event. Then click on **Connect** next to the **Webex** logo to log in to your Webex account with SEEYOU for the first time

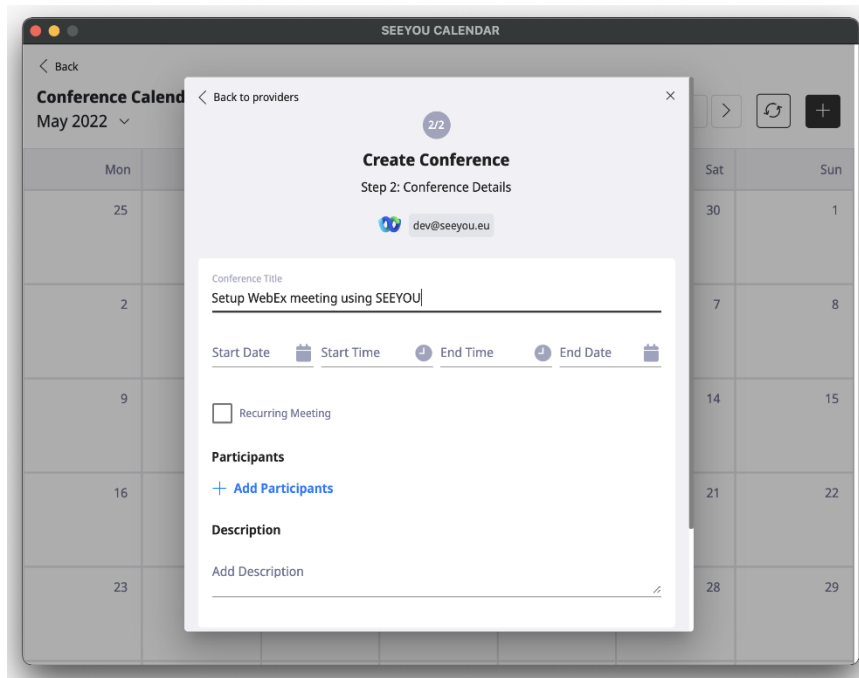

4. SEEYOU help simplifies booking Webex meetings. After connecting your Webex account, click the Webex icon to create a Webex event
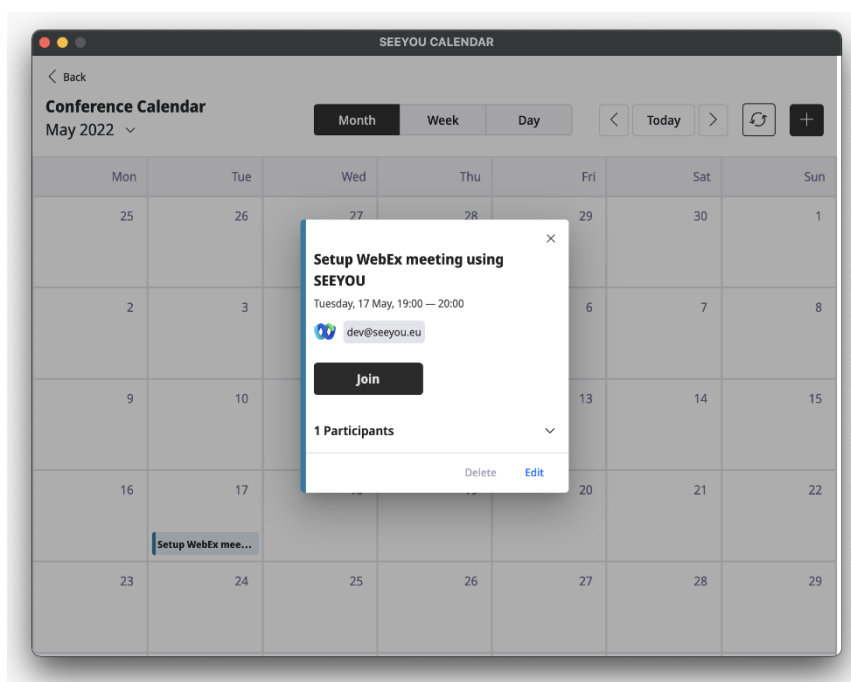

5. Creating a Webex event can quickly be done inside the SEEYOU app

6. All Webex conferences appear in the SEEYOU calendar and on the SEEYOU homepage. Joining is as simple as just clicking Join

7. The SEEYOU toolbar makes it easier for non-Webex users to instantly familiarize themselves with the Webex platform when inside the Webex conference. For experienced Webex users, it introduces some additional functionality to the already outstanding Webex platform

8. SEEYOYU also create new business for Webex by asking users to set up video conferences if communication on SEEYOU exceeds two minutes
